A crossword puzzle grid is set against a parchment background. The grid is composed of white squares with brown borders. The numbers are placed in the top-left corner of their respective starting squares: 11 (top row, second square), 10 (top row, third square), 9 (top row, eighth square), 8 (bottom row, eighth square), and 5 (bottom row, first square). A treasure chest icon is placed in the intersection of the 9th and 10th squares. A large, irregular blue shape with wavy lines is located in the upper right quadrant. The background features faint illustrations of a pirate, a bee, and a tree.
